### GREATLY ALARMED

By a Persistent Cough, but Permanently Cured by Chamberlain's Cough Remedy.

Mr. H. P. Burbage, a student at law in Greenville, S. C., has been troubled for four or five years with a continuous cough which he says, "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Mr. Burbage, having seen Chamberlain's Cough Remedy advertised concluded to try it. Now read what he says of it: "I soon felt a remarkable change and after using two bottles of the twenty-five cent size, was permanently cured." Sold by Anti-Monopoly Drug Store.

### In the Cantaloupe Fields.

We had a pleasant drive Thursday with Col. L. P. Miller to the cantaloupe fields belonging to J. D. McDuffy, Ocala's well known colored trucker.

Col. Miller, who is a practical farmer, says that these cantaloupes are the finest that he has seen in the county. The seeds were carefully selected and are of the genuine Rocky Ford variety. The vines have been carefully cultivated and as a result they are well fruited. In the three fields that we visited there are one hundred and twenty acres and shipment will begin early next week.

Under the estimate of the Chicago Packer these hundred and twenty acres will produce sixty carloads but Col. Miller thinks this is an exceptionally good crop and that it will exceed this estimate.

### Cures When Doctors Fail.

Mrs. Frank Chiasson, Patterson, La. writes June 8th, 1901: "I had malaria fever in very bad form, was treated by doctors, but as soon as I stopped taking their medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and honestly recommend it to those suffering from malaria as it will surely cure them." Herbine, 50c a bottle at the Anti-Monopoly Drug Store.

### Florida Truck in New York.

Florida Rose potatoes sell around from \$4 to \$4.50 for the best, seconds going mainly at \$3 to \$3.50.

Much green corn coming from Florida irregular in quality, prices range accordingly.

Quite a lot of poor Florida string beans offered this week, but there was a good demand for anything that would grade up.

Receipts Florida pines increasing and market is healthy. Prices from \$2.75 to \$3 case for desirable offerings.

Best tomatoes brought \$2.50; accumulation noted middle of the week. Thought this price will hold if receipts of inferior stock do not glut the market.

Turpentine Men Not Under the Color.

The McNamee turpentine inspection bill, which is now pending before the legislature, imposes an extra assessment of fully \$65,000 to \$70,000 a year for inspection fees, to be paid by about four hundred operators, and the turpentine men of Florida as a unit are opposed to the measure, and are doing everything in their power to defeat it.

### Will Cure Consumption.

A. A. Herrin of Finch, Ark., writes, "Foley's Honey and Tar is the best preparation for coughs, colds and lung trouble. I know that it has cured consumption in the first stages." For sale by the Post Office Drug Store.

### Great Fishermen.

Judge W. A. Hocker, of the supreme court, and J. F. Sherwood, editor of the Live Oak Democrat, went fifty miles on a fishing excursion a few days ago. They fished three days and didn't get a bite. Seems to us like they must have drank their bait.—White Springs Herald.

## Five Per Cent.

Twenty Year Gold Bonds

Another policy held by Mr. Waterhouse was a 5 Per Cent. Twenty-Year Gold Bond Policy for \$10,000, on which he had paid six annual payments of \$448.70 each. This form of policy was also devised and introduced by The Mutual Life Insurance Company of New York, and in settlement of this policy the Company will issue ten one-thousand dollar 5 Per Cent. Twenty-Year Gold Bonds, the income from which will be \$500 a year for twenty years. The face of the policy, \$10,000, will be paid at the end of twenty years. (Philadelphia Record, Nov. 15, 1902.)

If you desire to know on what terms you can contract for the purchase of 5 Per Cent. Gold Bonds, deliverable to yourself in twenty years or to your family immediately, in case of your death, state the amount of annual income you wish to secure for yourself twenty years, and give date of your birth.

Is a veritable dragon of ill-health. It leaves its path more physical weakness than probably any other one disease peculiar to Americans.
